[Nightstalkers] Shadow of Namalsk

```
mut_heart
nsw_er7s
nsw_er7a
nsw_er7mm
```

Notes:

*APSI - protection device against deadly radiation from blowouts
mut_heart - this item is for marking mutants, so, if unit have this item, unit will be for mutants just another mutant, if you want to protect some unit against mutants, use this item
nsw_er7s, nsw_er7a, nsw_er7mm - hi-tech weapon designed by NAC, in the same order - sniper version, attack version, ammo for both*
